Church Budget As of August 10, 2013		
Offering:		
Received today	\$ 2,341	Needed weekly \$2,224
Received YTD	67,944	
Budget weekly	2,224	Annual \$115,620
Budget YTD (week 32)	71,168	
Over/Short YTD – Offering YTD	3,224	(71,168 – 67,944) short

Dear Church Family,
 As you can see, our budget is short for the year by over \$3000. Here's a breakdown of the budget so you can see how it is calculated:
\$115,620/52=\$2,224 per week (What is needed weekly throughout the year to meet our budget goals)
\$2224 X 32=\$71,168 thru Aug. 10 (Needed thus far to cover all expenses up to this day)
\$67,944/32=\$2,124 thru Aug. 10 (This is the average church budget offering we have been giving per week)

As you can see, we come short by \$100 each week, which isn't bad. Here's how we can fix it to catch up for the remainder of the year which gives us 20 weeks. In order to meet our annual budget to cover all of our expenses, we need to average \$2,385 per week. Which means, we would have to increase our offering by \$261 per week for the next 20 weeks. This is not impossible!

- 50** people gives **\$5** extra each week =**\$250 per week**
- 75** people gives **\$4** extra each week =**\$300 per week**
- 100** people gives **\$3** extra each week=**\$300 per week**

I believe that if we work together we can experience a community of believers at work balancing the budget so we can continue to worship in this beautiful sanctuary. What option is best for you? Something to think about. May God richly bless you!
