**A little trivia from the
pastor's desk**

**How to stay safe
in the world today**

1. Avoid riding in automobiles
because they are responsible for
20% of all fatal accidents.

2. Do not stay home because
17% of all accidents occur in the home.

3. Avoid walking on streets or sidewalks
because 14% of all accidents occur to pedestrians.

4. Avoid traveling by air, rail, or water
because 16% of all accidents involve these forms of
transportation.

5. Of the remaining 33%,
32% of all deaths occur in Hospitals. So, ... above all else,
avoid hospitals.

BUT,

You will be pleased to learn that only 001% of all deaths occur in
worship services in church, and these are usually related to
previous physical disorders. Therefore, logic tells us that the
safest place for you to be at any given point in time is at church!

Enjoy this and remember to worship with your church family
on a regular basis.
